Lunchtime Legends offers you a great new way to enjoy your lunch break. Our competitions are devised to include everyone, regardless of age, sex or sporting ability.

Modified rules encourage participation and mean that you don't have to be a superb athlete to be involved. Players nominate a "Lunchtime Legend" from the opposing team based on overall fairness and the enjoyment a player brings to the game, rather than the most outstanding athlete on the field.

### What's In It For Me or My Team?

Fun, fitness and a chance to step away from the office and return revitalised. Weekly competition results are published on the Lunchtime Legends web site so you can keep track of your team's progress, as well as who has been voted the weekly Lunchtime Legend. There's trophies for Winner and Runner up, as well as Legend of the series, presented at the catered Grand Final function.

### What's In It For My Company?

We all know the benefits of exercise. In addition to improving overall fitness, it relieves stress and makes for healthier staff. The social atmosphere encourages team building, which can boost staff morale and make for a much happier office.
