What is Lunchtime Legends?

Lunchtime Legends is a great way to enjoy your lunch break. Our social sports competitions are devised to include everyone, regardless of age, sex or sporting ability.

Modified rules encourage participation and mean that you don't have to be a superb athlete to participate. At the conclusion of games, teams nominate a "Lunchtime Legend" from the opposing team based on overall fairness and enjoyment a player brings to the game rather than the most outstanding athlete on the field.

What's in it for Me and My Team?

Fun, Fitness and a chance to step out of the office and return revitalised. Weekly competition results are published on the Lunchtime Legends web site so you can keep track of your teams progress, as well as who has been voted the weekly Lunchtime Legend. At the conclusion of the competition, there's trophies for the Winner and Runner Up, as well as for the Legend of the series, presented at a catered Grand Final function.

What's in it for my Company?

We all know the benefits of exercise. In addition to improving overall fitness, it relieves stress and makes for healthier staff. The social atmosphere encourages team building which can boost staff morale and make for a much happier office.
